Jones Lang LaSalle

## Employee engagement can contribute up to 10% in energy savings

Jones Lang LaSalle is partnering with ENERGY STAR to celebrate Energy Awareness Month. We are encouraging all Jones Lang LaSalle employees to take the [ENERGY STAR Pledge](#), and we invite you to learn more about this initiative and other tools available from ENERGY STAR:

- [ENERGY STAR Training](#) - Free online training to help you and your employees improve the energy performance of your organization including live and pre-recorded web conferences along with animated and self-guided presentations.
- [Bring Your Green to Work](#) - A toolkit that allows employees to test their Energy IQ and learn how to go green at work without leaving their desks.
- [Green Team Checklist](#) - A helpful guide to assist employees in creating teams committed to championing energy efficiency.

To learn more about how to raise awareness among your employees, visit the [ENERGY STAR website](#) or contact:

[Michael Jordan](#)

### About ENERGY STAR

ENERGY STAR is a joint program of the U.S. Environmental Protection Agency and the U.S. Department of Energy helping organizations save money and protect the environment through energy efficient products and practices.

### Jones Lang LaSalle sustainability resources

[Green Office Toolkit](#): Provides a series of tools to guide you in your leasing decisions and in implementing an effective sustainability program.

[Effective strategies for engaging your employees in sustainability](#): A recorded webcast which discussed effective employee engagement strategies that can help CRE teams accelerate progress towards their sustainability goals.
